Official Code § 1-307.02 (2014 Repl.)) and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2014 Repl.)), hereby gives notice of the adoption, on an emergency basis, of amendments to §§ 1901-1902, 1904-1909, 1911-1912, 1937, and 1999, and new § 1938, of Chapter 19 (Home and Community-Based Services Waiver for Individuals with Intellectual and Developmental Disabilities) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR).

These emergency and proposed rules establish general standards for the services provided to participants in the Home and Community-Based Services Waiver for Individuals with Intellectual and Developmental Disabilities (ID/DD Waiver) and conditions of participation for providers.

The ID/DD Waiver was approved by the Council of the District of Columbia (Council) and renewed by the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) for a five-year period beginning November 20, 2012. The corresponding amendment to the ID/DD Waiver was approved by the Council through the Medicaid Assistance Program Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-155; 61 DCR 9990 (October 3, 2014)). The amendment must also be approved by CMS, which will affect the effective date for the emergency rulemaking.

The Notice of Final Rulemaking for amendments to 29 DCMR §§ 1901-1902, 1904-1909, 1911-1912, and 1937, was published in the *D.C. Register* on May 2, 2014, at 62 DCR 004406. These rules amend the previously published final rules by: (1) changing the name of Art Therapies to Creative Arts Therapies; (2) adding Companion to the list of covered services; (3) deleting Shared Living from the list of covered services; (4) clarifying the eligibility requirements related to intellectual disability; (5) allowing a waiver of the requirement that the owner/operator have a specific degree and years of experience; (6) requiring that providers of residential and day/vocational services show evidence of fiscal and organization accountability; (7) modifying training requirements for a provider staff person who works exclusively as a driver; (8) requiring providers to participate and cooperate with the reporting requirements pursuant to D.C. Law 2-137, the Citizens with Intellectual Disabilities Constitutional Rights and Dignity Act of 1978, effective March 3, 1979 (D.C. Law 2-137; D.C. Official Code §§ 7-1301.01 *et seq.*); (9) modifying requirements for CPR and First Aid certification; (10) clarifying the educational requirements for Direct Support Professionals who were educated outside of the United States; (11) requiring that a Direct Support Professional be acceptable to the person for whom they are providing services; (12) requiring that providers report all reportable incidents to the Department on Disability Services; (13) adding support plan to the list of required records; (14) clarifying the requirements for daily progress notes; (15) amending Section 1937 on cost reports and audits;

(16) adding a new Section 1938 entitled Home and Community-Based Setting Requirements; (17) amending Subsection 1909.1 to clarify that DHCF and or its designees shall have access to all waiver provider locations, including access to the people receiving supports and all records in any form, and clarifying the meaning of “records” for purposes of this section; (18) adding certain definitions including definitions for Group Home for a Person with an Intellectual Disability, Living Wage, and SMARTER Goals, and (19) clarifying the requirements for Intellectual Disability and Qualified Development Disabilities Professional.

Emergency action is necessary for the immediate preservation of the health, safety, and welfare of ID/DD Waiver participants who are in need of ID/DD Waiver services. The ID/DD Waiver serves some of the District’s most vulnerable residents. As discussed above, these amendments implement a new service and clarify certain requirements that assist in preserving the health, safety and welfare of ID/DD Waiver participants.

The emergency rulemaking was adopted on September 12, 2015, but these rules shall become effective for services rendered on or after September 1, 2015, if the corresponding amendment to the ID/DD Waiver has been approved by CMS with an effective date of September 1, 2015, or on the effective date established by CMS in its approval of the corresponding ID/DD Waiver amendment, whichever is later. The emergency rules shall remain in effect for not longer than one hundred and twenty (120) days from the adoption date or until January 8, 2016, unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*. If approved, DHCF shall publish the effective date with the Notice of Final Rulemaking. The Director of DHCF also gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C.
